

Alpha Kappa Alpha Sorority, Incorporated®

Iota Omega Chapter

Privacy Policy

The Iota Omega Chapter of Alpha Kappa Alpha Sorority, Incorporated is committed and recognizes your need for protection and privacy issues on the Internet.

In general, you can visit us at www.norfolkpearls.com without telling us who you are or revealing any information about yourself. We do collect Internet Protocol (IP) addresses and domain names of visitors for site administration purposes, such as to analyze this data for trends and statistics. No personal information is obtained. This data is used to customize our website content to deliver a better experience to our users.

Disclaimer

Alpha Kappa Alpha Sorority, Incorporated® is not responsible for the design nor content of these web pages. They are the sole property and responsibility of the Iota Omega Chapter who hosts and maintains this website.

Links to Other Websites

Iota Omega Chapter's website may contain links to other sites. These sites are not controlled by Iota Omega Chapter and Iota Omega Chapter is not responsible for any content contained on any such website. While we try to link only to sites that share our high standards and respect for privacy, we are not responsible for the privacy practices employed by other sites. As with our site, you should become familiar with any external party's privacy policy when visiting that site.

Your Consent

By using the website of Iota Omega Chapter of the Alpha Kappa Alpha Sorority, Incorporated, you consent to our use of your information as described in this Privacy Policy. We reserve the right to change our Privacy Policy at any time without advance notice. Should any new policy go into effect, we will post it on this site, and the policy will apply only to information connected thereafter.

Maintenance

The disaster recovery and backup plan for the Iota Omega Norfolk Pearls website includes automatic backups with the host site. We use Wix for our website and the domain maintains backups of all sites. We create Wix backups by duplicating the site periodically. This helps prevent the loss of our data.
